## **Tax credits renewals**

Tax credits claimants are being reminded to renew their tax credits claims by 31 July, otherwise their payments may stop and they may have to repay any overpayments. A claimant who fails to renew in time may have to pay back any overpayment from last year as well as any money paid since 6 April this year.

There is more information about why renewal is necessary and how to renew on the HM Revenue and Customs website at <http://www.hmrc.gov.uk/taxcredits/keep-up-to-date/renew-claim/why-renew.htm>.
